

Medicare Audio Contract

Advance Beneficiary Notice of Non- Coverage (ABN)

Based off of the symptoms that you're experiencing, there is a chance that audio testing (of some sort), or possibly ear cleaning, may be required at the time of your visit.

Please read and choose from ONE of the THREE options from the ABN form (which you will be able to select on the following page). An explanation of the three options are explained below.

OPTION 1: With Medicare, we do file with your insurance, but it does not guarantee coverage and payment. Because of this, we will require for an Audio Contract to be signed, saying that you understand that IF your insurance(s) do not pay for some of all of your services during your visit, you will be responsible and you do have the right to appeal.

OPTION 2: You do NOT want us to file with Medicare, and you will be responsible for 100 % of all audio testing and/ or ear cleaning.

OPTION 3: Selecting this option is choosing to deny all services. Dr. Antony only orders the testing when he feels that it is necessary in order to best evaluate your condition and provide the best treatment. We apologize for any inconvenience this may cause to you, but we will be unable to see you since we will not be able to provide you optimum care.

Thank you

Office Staff of Dr. Samuel O. Antony
